

Project Architect with Passive House Experience and Strong Revit Skills Wanted

River Architects PLLC located in Cold Spring, NY, is seeking a full-time Project Architect with Passive House Experience, preferably a Certified Passive House Consultant (CPHC). We are dedicated to creating progressive architecture ingrained in LEED, Passive House, and Living Building Challenge principles while educating and collaborating with professionals across NY State. In addition to our private clients, we also work with the New York Department of State to assist 40+ cities and towns by providing design and industry expertise for energy efficient building practices.

We are looking for a professional Architect who is proactive, resourceful, effective, self-motivated, highly organized, detail oriented, and disciplined. We offer this great opportunity to collaborate with us in our process of merging high design with the technically demanding guidelines of Passive House and Net Zero architecture.

Candidates must have a Bachelor of Architecture degree or a Master of Architecture degree and 3+ years of Architectural Design experience.

Candidates must have:

- BIM & AutoCAD experience in a professional setting
- Proficiency in Revit, AutoCAD, Adobe Creative Suite, Sketchup and MS Office
- Experience with Bluebeam and WUFI Passive is a plus
- Experience in Passive House and Net Zero projects
- A strong sense of environmental responsibility
- Excellent verbal and written communication skills
- Demonstrated graphic presentation skills
- Ability to lead various projects and coordinate teams proactively
- Great work ethic, sense of responsibility and accountability
- Creative problem-solving skills

Benefits include paid vacation, personal days, sick-leave, holidays, health insurance and 401(k) along with financial assistance for architectural licensure and Passive House training expenses. Additionally, we work in person 4-days per week and work from home on Fridays. We strive to provide a positive, healthy, and inclusive working environment for all of our employees.

If interested, please send your cover letter, salary request, resume, and portfolio to careers@riverarchitects.com.
